Browne -The numbers contain each 250 pages and are issued on the first days of Jaly interested, and regret that a nuary, April, July, and October, at a if space and time forbids us from cost of Five dollars per annum, paya-

"The Southern Review," as the editors observe, "is intended to supply need long felt in the South; the need as the high reputation acquired of an organ for Southern men of letters, and of a high class of periodical literature for Southern readers." All the most interesting questions of the day, pertaining to Politics, Education, Literature, Art, Science, and Philosophy, are, as occasion serves, treated in ts pages. We entirely agree with the able projectors and proprietors of the Review, in the assertion that "while of the principles of the North's sending forth, by tens of thousands, her Monthlies and Quarterlies exclusively devoted to her owe views, it seems but fair and right that vet we very cordially approve the asalree all to give it a calm and of a vindictive or sectarian character is It will well repay to be excluded from the Southern as possible. This duty was upon the

numbers, have been completed, and actorized by uncommon interest of subject, and communiding ability of treatment. The noble spirit of conservative statesmanship, the great correct abundantly exhibited in its pages, con tribute to enhance the value of this periodical beyond that of any similar publication with which we are acquain ment of the editors in their Prospec contributors."
